

ODE TO PANORAMIC JOURNEYS

It is difficult to get
Panoramic Journeys to rhyme
I'll keep on trying
Maybe next time

The 5th Anniversary
And we are sure
For this wonderful team
There'll be many more

Special requests
No problem they say
Just say what you need
They'll find a way

Karina's the star
Spinning the plates
Is the itinerary there?
Have we got the right dates?

She deserves two verses
'Cos when it comes to the test
With energy and charm
She's really the best

James is the horseman
And a company founder
His facts on Mongolia
Couldn't be sounder

And traveller Sam
Has already been
To Bhutan and Mongolia
Where next to be seen?

ODE TO PANORAMIC JOURNEYS

**Mongolia beckons
To Olly again
He's really good fun
And occasionally sane**

**Goyo we've met
With her wonderful smile
This award winning lady
Certainly has style**

**With a fish in the brochure
Nyama to pose
This No 1 driver
Laughs right to his toes**

**Osuko our guide
And a doctor as well
Looking so young
His age hard to tell**

**Kath was also
Part of our show
This lovely young lady
Was pleasure to know**

**When you book Panoramic
You should be aware
You'll be part of a family
A family who care**
