## THE MAGIC GER

*The ultimate personalised wilderness experience*

Our forethought and anticipation have led us to develop the concept of the **Magic Ger** in our quest to go one step beyond to satisfy our guests' tailor-made travel needs.

Imagine your own ger in the middle of the majestic inspiring Mongolian heartland countryside – in a lush valley; at the foot of a forested mountain; or by the edge of a river – or all three. You will be able to enjoy serene isolation far from other people and civilisation.

A personal 'ger' team will travel ahead each day, whilst you take in the scenery and activities that we have designed and arranged personally for you: horse-riding across the open steppe; camel-trekking across golden Gobi sand dunes; fishing on remote plentiful rivers. By the time of each evening arrival at our specially chosen private destination, the ger that you left earlier that morning will have 'magically' reappeared, complete with a hot shower, cocktails and a delicious freshly prepared plain-air 3-course meal. Experience this personal service and unique enchanting journey in spellbinding style.

*The Magic Ger is available as a short 2-3 day extension to complement an existing booking with us, or as a complete journey of up to 2 weeks or longer. Prices from £300pp/day.*

**Prices include:** Accommodation – deluxe private ger in countryside; deluxe hotel suite in Ulaanbaatar • Meals – breakfast, lunch, 3-course dinner • Drinks – incl. cocktails, wine • All tailor-made organised activities – incl. horse-riding, camel-trekking, fishing etc. • English speaking guide(s) • Surface transportation with personal driver • Park & museum entrance fees • Airport transfers.
